Mission Moment

- Committee represents all aspects of the county and brings with them different experiences. Members should also be knowledgeable about youth in their community including problems, interests, ideas to solve issues, and available resources. This makes the committee an invaluable resource to program planning of the county 4-H program.
- Work to identify human resources in the community that can assist with varying components of the 4-H program (e.g., local chef to assist in coaching the Special Foods Contestants).
- Arrange special features in local media (i.e., newspapers, radio, and television) to promote 4-H throughout the year.
- Assist in identifying barriers of entry for youth into 4-H programs and retention of youth in 4-H programs and find solutions.
