

# HORSE/RODEO FINANCIAL RECORD

Name:

\_Year in 4-H Project:\_

#### VALUE OF HORSE(S) PURCHASED/OWNED/POSSESSED

Enter the value of horses that were owned prior to beginning this project year or that are purchased for this project.

| Date | Description | Number Purchased<br>owned/possessed | From Whom | Weight | Unit Price | Market Value |
|------|-------------|-------------------------------------|-----------|--------|------------|--------------|
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        |            |              |
|      |             |                                     |           |        | TOTAL (A)  |              |

### FEED COSTS

Write in the kind of feed at the top of the columns used. You may use the units (pounds, cwt, tons) that are most convenient for you in keeping track of feed. Pasture grass must be figured in and calculated for amount and cost.

| Kind of Feed |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
|--------------|-----|-------|-----|-------|-----|-------|-----|-------|------|---------|-------|-------|-----|----------|
| Month        | Amt | Price | Amt | Price | Amt | Price | Amt | Price | Amt  | Price   | Amt   | Price | Amt | Price    |
| October      |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| November     |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| December     |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| January      |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| February     |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| March        |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| April        |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| May          |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| June         |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| July         |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
| August       |     |       |     |       |     |       |     |       |      |         |       |       |     |          |
