If the subject premises borders two or more municipalities of a different class, then the municipality that represents the largest class shall be the municipality upon which the applicable fee is based.

Section 6. Any application for an available retail on-sale liquor license shall include with the application a signed agreement stating that the applicant agrees that in the event of a subsequent transfer of the liquor license to a location which is closer to a municipality with a higher license application fee pursuant to Sections 1, 2, and 3 herein, then the applicant for the transfer agrees to pay the difference between what they originally paid and what the applicant would have paid if the license had been located at the new location originally.

Section 8.
