

## Alternative Energy Committee – May 12, 2025 – 1:00 pm

**Members present:** Jerry Derr, John Santana, Lindsey Mader, Matt Hasvold, Jiggs O'Connell and Eileen Peterson.

Others present: Alan Anderson - Landowner, Howie Aubertin, Devin McCloskey, Rachel Roese, Stacey Wilbanks

### **Discussion Notes:**

Extensive discussion regarding FAA notifications and regulations as they pertain to obstructions in air space and flight paths.

Suggestions: Require that all utility scale alternative energy systems provide a FAA 7460 with a determination

Information on FAA 7460 can be found at <https://oeaaa.faa.gov>

Routings for new systems sent to EAFB and Rapid City Airport for review

Require a firebreak around the systems

Provide a Glint and Glare report for solar energy systems

Systems must be located within 5 miles of a 230 kV line

**Next Agenda: Ordinance Changes and Comp Plan Changes**

**Next Meeting:** June 2, 2025 at 1:00 pm
