SHERIFF'S MESSAGE

It remains my great honor to serve as your sheriff, making public safety our top priority while the county continues to grow. Our deputies are proactive and continue to actively engage with citizens. This year we saw a decline in nearly every major crime category and we remain focused on strategies to address incarceration and addiction with our "hand up" versus "hand out" philosophy.

At the Care Campus, we are reducing Safe Beds while increasing Detox services for the addicted homeless population. We are holding clients accountable for their behavior, not tolerating aggression towards staff or destruction of our facility.

Our efforts to address recidivism in the Pennington County Jail with the IGNITE (Individual Growth Naturally and Intentionally Through Education) initiative are full steam ahead with the new Sheriff's Work Program and expanded jail education offerings.

Moving forward, we need to address expansion at the Pennington County Jail. We have \$35 million worth of infrastructure issues in the existing towers. Our jail population has been over operational capacity since 2014 and Pennington County has outpaced national population growth. We simply cannot afford to delay the expansion of our facility, and it is essential that we do it correctly.

We are grateful the Pennington County Commission allowed us to implement a new wage scale, prioritizing competitive wages for the men and women who serve in the Pennington County Sheriff's Office. This allows us to hire and retain unparalleled employees.

Finally, I thank the men and women who serve our community at the Sheriff's Office and remain grateful for our community's unwavering support!

Sheriff Brian Mueller

PATROL

CAPTAIN KRAIG WOOD In 2024, the patrol section focused on proactive community engagement, maintaining the highest standards while ensuring public and employee safety. This approach led to increased traffic enforcement and education for our citizens. The same proactive efforts also appear to have played a role in reducing misdemeanor and felony crimes, making Pennington County safer overall.

Patrol sergeants and deputies met every goal set for them at the start of the year. The captain and lieutenants are extremely proud of the deputies' dedication and strong work ethic in serving the community.

All patrol deputies cross deputize as deputy coroners

BOAT/UTV MOTORCYCLE RALLY

Boat/UTV Patrol

Deputies enjoy summer months patrolling Sheridan Lake, Pactola Reservoir and Black Hills trails, helping when needed and ensuring citizens follow the laws on land and water.

We spent over 200 hours this summer patrolling trails and lakes in Pennington County.

These patrols helped support incidents such as missing persons, special events, and organized enforcement operations. The overall goal is to ensure citizens and visitors are safe while enjoying the beauty of Pennington County.

CENTRAL STATES FAIR

The 2024 Central States Fair saw large crowds with a significant law enforcement presence to ensure the family-friendly event was a safe and fun environment for all attendees. Proactive policing, in partnership with the Rapid City Police Department, Court Services and Central States Fair staff and security, helped maintain low incident numbers with little to no impact on the event.

CONTRACT COMMUNITY HILL CITY

A photograph of four law enforcement officers standing in a grassy area. Behind them is a large, layered rock cliff and a line of evergreen trees. To the right, a golf course is visible under a clear blue sky. The officers are wearing tan shirts, dark pants, and tactical vests.

Hill City has its roots in the Black Hills mining rush. Founded in 1876, it is the oldest community in Pennington County. The discovery of gold in nearby French Creek prompted homesteaders to form a settlement beside Spring Creek. Although little gold was found, this town with under 1000 people thrives on tourism, timber, and wineries.

Three Deputies and a School Resource Officer are assigned to Hill City. Our four contract communities are a cost savings to Pennington County taxpayers and taxpayers in each community. It's a mutually beneficial arrangement.

Deputies James Waldrop, Doug Kimball, Keith Fenner, Chaz Foss

CONTRACT COMMUNITY KEYSTONE

Keystone is a town in the Black Hills with a population of 240. It had its origins in 1883 as a mining town, and has since transformed itself into a resort town serving the needs of the millions of visitors to the Mount Rushmore National Memorial, which is located just beyond the town limits. Deputy Chris Lindquist serves in Keystone year-round. A second Deputy is added during the summer months.

CONTRACT COMMUNITY NEW UNDERWOOD

New Underwood got its start circa 1906, named after cattleman John Underwood. The economy still revolves around agriculture but now is also home to the state's largest solar farm. Deputy Jeff Jones lives and works in New Underwood, a town of 660 residents. A School Resource Officer is stationed in New Underwood School.

Wall was platted in 1907 when the Chicago and North Western Railroad was extended to that point. The town was incorporated in 1908, named for the “natural wall” in rock formations by the Badlands National Park. Wall is most famous for the Wall Drug Store, which opened as a small pharmacy in 1931 during the Depression, but eventually developed into a large roadside tourist attraction. Four Deputies are assigned to Wall, a city of approximately 700 residents.

CRIMINAL INVESTIGATIONS

CAPTAIN DUSTIN MORRISON: I am proud of the men and women in the Criminal Investigations Division (CID). Our team again stepped up in big ways in 2024. We pride ourselves on taking a victim-centered approach, meaning we prioritize the rights, safety and well-being of victims. We start by believing and treating those we serve with empathy and respect.

The CID team consists of a lieutenant, four sergeants, 15 investigators, two victim specialists, a crime intelligence analyst, a computer forensic examiner, an investigative assistant, three Rapid City Police Department detectives who assist with domestic violence and sexual assault cases, and a staff assistant.

Back row: Scott Sitzes, Kiley Kintigh, David Dross, Marc Davies, Jesse Fagerland, Damon Baker, Joe Luper, Parker Frederick, Ethan McManigal, Morgan Slanina, Clayton Johnson. INTERNET CRIMES AGAINST CHILDREN

SPECIAL AGENT BRIAN FREEOUF The Pennington County Sheriff's Office assigns Investigator Jodi Glasgow and Forensic Analyst Hollie Strand to the Internet Crimes Against Children (ICAC) task force. This task force is among 61 in the nation that investigates and prosecutes perpetrators who exploit children online.

The local task force is led by the South Dakota Division of Criminal Investigations and includes the Rapid City Police Department. They work closely with local law enforcement, and federal partners like the FBI, Homeland Security and the US Attorney's Office.

The team faces challenges with evolving technology, encryption and large data loads, but through ongoing training and innovative techniques, they continue to protect children in our community and region.

UNIFIED NARCOTICS ENFORCEMENT TEAM

Confiscated meth, heroin and mushroom candy bar

SERGEANT THAD MASON

The narcotics situation remains similar to previous years. Meth is still the most commonly abused drug in our community, while fentanyl continues to be a major concern, arriving in larger quantities. Although reported overdoses seem to be decreasing, we suspect this is due to the wider availability of naloxone, allowing users to recover without seeking emergency help.

UNET has been working hard to hold fentanyl dealers accountable. When their actions result in a death, it leads to separate charges in federal court. Over the past year, UNET has successfully prosecuted multiple individuals in

federal and state courts for fentanyl-related deaths, with most receiving sentences of 20+ years.

This year we have seen out-of-state groups collaborating with locals to establish drug trafficking operations. UNET has been relentless in identifying and dismantling these groups before they become entrenched.

VICTIM SPECIALIST PROGRAM

THE PENNINGTON COUNTY SHERIFF’S OFFICE Two victim specialists work out of the joint Criminal Investigations Division of the Pennington County Sheriff’s Office and the Rapid City Police Department. They work with victims of violent crimes and become involved at or near the time of the crisis event. Victim Specialists work to address immediate needs, navigate the criminal justice system and help start a victim’s unique healing journey. Our Victim Specialists partner with other local system-based advocates, community-based advocacy and support agencies.

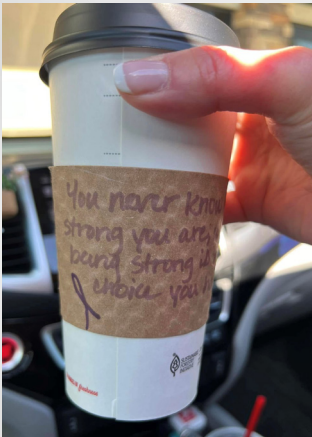

345 TOTAL VICTIMS
315 assigned cases

VICTIM ASSISTANCE PROVIDED TO INDIVIDUALS

- Crime victim compensation applications
- Emotional support and safety services
- Emergency assistance: food, clothing
- Transportation and housing needs
- Criminal/civil justice court system advocacy
- 911 cell phones and security cameras
- Community presentations

Great response in cell phone drive for victims

Victim Specialists Jeanne Mann and Rebecca Elger

Domestic violence awareness month in October with partner agencies

SCHOOL RESOURCE OFFICERS

SERGEANT JEREMY MILSTEAD oversees the Sheriff's Office School Resource Officer (SRO) program. SROs play a key role in the schools of Rapid City, Douglas, New Underwood, and Hill City, partnering with each district to ensure safety, provide education, and serve as positive role models. Along with their regular duties, they are increasingly focused on addressing online safety and social media concerns.

Box Elder Officer Jason Brown, Deputies Jayson Herra & Abraham Wheeler at Douglas

Deputy Cody Rhoden teaches back-to-school safety at New Underwood

Deputies Keith Fenner, Chaz Foss in Hill City Schools

Rover Ryan McMurray moves to schools as needed

Deputy Abigail Pi at East Middle School

SROs at Rapid Valley's Trunk or Treat

Thad Schmit in costume at Stevens

SPECIAL RESPONSE TEAM

THE SPECIAL RESPONSE TEAM was called on five separate situations to assist with high risk incidents in 2024. The team's mission is to save lives and safely resolve dangerous situations with the minimal amount of force necessary.

The Special Response Team includes members of the Pennington County Sheriff's Office (PCSO), Rapid City Police Department (RCPD), Rapid City Fire Department and Emergency Services Communication Center. They work closely with the South Dakota Highway Patrol SWAT Team. RCPD Captain Andy Becker is the team's commander and PCSO Captain Taylor Sperle is the team's deputy commander.

CAPTAIN CHRIS HISLIP supervises the Civil, Warrants and Transport Divisions. Civil deputies are tasked with notifying individuals when they face legal action in a court of law or administrative court. These delivered documents may include summonses, complaints, subpoenas, writs or other legal paperwork from the courts, attorneys or citizens. Fees brought in by the Civil Division support the Sheriff's Office budget.

Self-Turn-in Warrants	1,299
Extraditions	15

Total Warrants Received 10,649

Self-Turn-In People

The self-turn-in process is an opportunity for citizens with eligible warrants to turn themselves in paying only the \$25 warrant fee and attend court the same day to satisfy the warrant.

The Warrants Division focuses on arresting suspects wanted for violent crimes in the community. The deputies and sergeant are members of the US Marshals Federal Task Force which allows our agencies to combine resources to safely and efficiently arrest wanted suspects in the region. Staff assistants processed 10,163 felony and misdemeanor warrants into federal and local databases. They also manage the Northwest Shuttle which transports inmates throughout the Western United States back to Pennington County to face criminal charges at a minimal cost to taxpayers.

SECURITY

Personnel from the Transport Division also perform security duties at the Pennington County Courthouse, Jail and Administration Building. Their mission is to provide a safe environment for employees, inmates and the public. In 2024, they screened 137,744 people entering the Courthouse and detected/prevented 290 prohibited items from entering. They also provide a presence inside and outside the courtroom and courthouse to deter and detect criminal activity in the area.

 Front: Joe Wallin, Matt Chalk*

JAIL

COMMANDER COREY BRUBAKKEN The Pennington County Jail is committed to maintaining a safe and orderly environment for both staff and inmates. As a central component of our criminal justice system, our staff must be ready to handle the daily challenges they face with professionalism and fairness. They serve as protectors, counselors, educators, disciplinarians, and role models.

Since May 2024, I have had the privilege of serving as Commander of the Pennington County Jail. In that time, I have seen firsthand how complex the operation is, but the most crucial element is the dedicated staff. Every day, they make what seems impossible possible. It is our staff's commitment and excellence that keep the jail running at the highest standard. On behalf of a grateful Commander, I say thank you.

JAIL INITIATIVE IGNITE

Jessica AFRANK, Programs Officer Andrew DiRO, Teacher Kayla Quenzer

COORDINATOR JESSICA AFRANK The IGNITE (Individual Growth Naturally and Intentionally Through Education) Initiative has expanded significantly this year, offering GED, Literacy, Creative Writing, Life Skills, yoga, and more, with programs covering essential topics like substance abuse, domestic violence, parenting and financial awareness.

The Sheriff's IGNITE Work Program also launched, allowing eligible participants to earn good time for each successful day. From GEDs to job certifications, the program aims to prepare individuals for life beyond incarceration.

Additionally, Pennington County Jail hired its first teacher, Kayla Quenzer, who now teaches about one-third of the jail population. Over 250 inmates participated in GED education at the jail in 2024.

Jeremy Danley and Sherin Harris supervise the Sheriff's Work Program

Teacher Kayla Quenzer teaches and mentors students at their own pace

PROGRAM DIRECTOR LUCAS OYLER Late in 2024, the 24-7 Sobriety Program was restructured in an effort to increase efficiency and further reduce the jail population. These changes still hold participants accountable for their sobriety while allowing them to remain members of the community.

24-7 is staffed by two full-time county employees and nine part-time employees. They provide a variety of testing that includes breath tests, urine tests and remote monitoring. The program has been successful since its inception and in 2024 maintained a 96.65% passed rating for those testing breath and urine samples combined.

Seven nights a week at 6pm, a line forms to test program participants

CARE CAMPUS

In 2024 we developed a coordinated winter plan to support the homeless population, bringing together key stakeholders such as the Pennington County Sheriff's Office, Rapid City Police and Fire Departments, Journey On, Woyatan Lutheran Church, Wambli Ska, Cornerstone Rescue Mission, Pennington County Human Services, and the City of Rapid City. This unified effort emphasized teamwork, open communication, and shared resources to ensure safety during our harsh winter months.

Additionally, the Care Campus made progress in collaborating with organizations like Wambli Ska and Woyatan Lutheran Church to provide some cultural programming to the individuals utilizing our Safe Solutions program.

Over the past year we reduced Safe Solutions beds and increased our Detox beds. This change allows more of our clients the time to become sober, meet with a counselor who provides education on substance use, encourages treatment attendance and connects them with other community resources.

Bi-weekly coordination meetings averaged 25 agency representatives from community agencies in attendance, showcasing a strong commitment to addressing pressing local challenges. Additionally, the summer expansion of detox beds increased access to treatment, with Detox and Safe Solutions programs meeting the high demand for these services in our community. By year six of operation, the Care Campus had 143,825 admissions, serving 9,000 unique individuals, with 66% self-referring – reflecting their trust in our facility.

Care Campus Command Staff: Director Tony Verchio, Housing Director David Oster, Office Manager Melissa Reckling, Clinical Director Deanna Nolan, Clinical Supervisors Dawn Riter and Amanda Whelchel, Chief Deputy Willie Whelchel

WESTERN SOUTH DAKOTA JUVENILE SERVICES CENTER

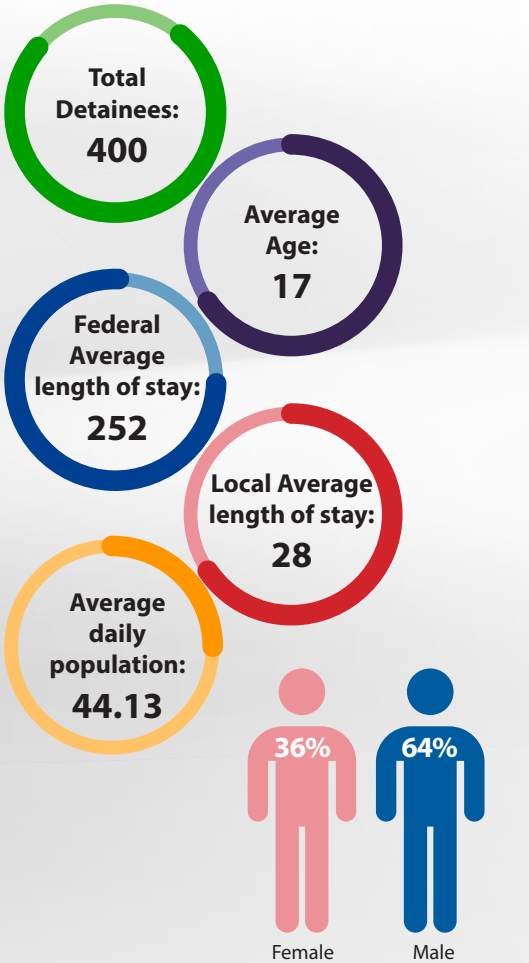

COMMANDER JOE GUTTIEREZ The Western South Dakota Juvenile Services Center (WSDJSC) continues to operate as one of the premier Juvenile Detention Facilities in the country. It has been nationally accredited by the American Correctional Association since 1999 and serves as a federal, state, and regional holding facility.

Education is the single most important factor in the rehabilitation of youth in custody. With a goal to change the trajectory of lives, WSDJSC offers weekly programming to include corrective thinking, life skills, education, religious services, and vocational/ career development. Some detainees also receive mental health counseling, chemical dependency and sex offender treatment.

As an alternative to secure detention, the Juvenile Services Center continues to offer electronic monitoring. With approval from the courts, the juvenile may remain in the community while they await court or serve a sentence. Lutheran Social Services continues to run a reception center, homeless and runaway shelter on campus as another alternative.

HUMAN RESOURCES

HUMAN RESOURCES MANAGER NIKKI FARRAR AND GENERALIST YOVANA ESTRELLA JOHNSON had a busy year in 2024. Innovative recruitment and outreach solutions were utilized to attract top talent, and retention efforts were broadened to maintain a stable, experienced workforce ensuring community protection. There was a significant reduction in vacancies and unfilled positions compared to previous years:

Unfilled Positions	2022	2023	2024
	48	28	13

A county-wide internal wage study was completed resulting in increased wages effective January 2025. Representatives from each division formed a recruitment work group. A recruitment marketing campaign was expanded and a 12-week internship was launched. Participants gained hands-on experience across our four divisions with the help of COPS grant funding.

EXPLORER PROGRAM

THE EXPLORER PROGRAM gives young men and women exposure to a career in law enforcement. In 2024, Explorers spent 2,302 hours training and volunteering in our community. It builds character through physical fitness, leadership and community service.

We encourage youth and young adults between the ages of 15 and 21 to apply to be part of the Pennington County Sheriff's Explorer Program. Contact us at 605-394-6113 for details.

WELLNESS

ROBIN MCCOOL-DENEKE WELLNESS COORDINATOR

The mission of the PCSO Wellness Program is to support our employees and their families by promoting overall well-being. Public safety careers—whether at the CARE Campus, in Law Enforcement, at the Pennington County Jail, or the Western SD Juvenile Services Center—demand a 24/7 commitment to the community. This constant dedication can significantly impact employees' self-care and family life.

The Wellness Program addresses these challenges by providing wellness education and resources through activities and Peer Support, focusing on the five pillars of wellness: physical, emotional/psychological, financial, environmental and spiritual. With the combined efforts of the Wellness Coordinator, Peer Support Team, and Chaplains, we offer a comprehensive network of resources to assist employees and their families.

Our wellness coordinator works closely with PCSO Chaplains sponsoring fun employee events like a Halloween pumpkin carving contest

Nurse practitioner Heather Courage provides all pre-hire mental health evaluations, peer support, counseling and other psychiatric services for the Sheriff's Office, Rapid City Police and Fire Departments and South Dakota Division of Criminal Investigation

CHAPLAINS

2024 PCSO Christmas party hosted by our chaplains

The purpose of this unique group is simple: to serve the employees and families of the Pennington County Sheriff's Office. Over the past 11 years our Chaplains Program has put down strong roots and continues to grow.

Through generous financial contributions from donors, the Pennington County Sheriff's Office Chaplains provide special and fun opportunities for fellowship, support and guidance.

Chaplains hosted a division-wide chili cookoff. Yovana Estrella Johnson won the people's choice best chili!

Chaplains organized our first staff recognition of Addiction Professional Week. Meals were provided at the Care Campus to recognize their important work.

TRAINING

RUSTY SCHMIDT TRAINING MANAGER 2024 was another incredibly busy year with near record-setting pre-service trainings. One was an intensive investigative course that not only brought law enforcement from all over the United States, but some from as far as Brazil.

Placing a high value on training, the Sheriff's Office makes a large investment in the future success of our employees.

Sandwiched before and after a 13-week law enforcement academy, a new deputy receives six weeks of in-house pre-service training to include domestic violence, constitutional law, use of force and more. After the academy, the deputy receives an additional 16 weeks of field training before venturing out on his/her own. A new correctional officer receives ten weeks of training to include three weeks of pre-service and seven weeks of field training.

LAW ENFORCEMENT BASIC ACADEMY

The Pennington County Sheriff's Office had nine deputies graduate from the Law Enforcement Training Academy in Pierre over three 13-week sessions in 2024.

Peter Boschetti receives Coler Williams Award, March 1

Jeremiah McKnight receives Inspiration Award, March 1

Nov 22: Gunner Hanzel

March 1: Chris Brown, Peter Boschetti, Jeremiah McKnight, Tyrell Zahn

May 31: Travis Leeson, Kyle McSherry, Austin Sorensen, Timothy Montgomery

SEARCH AND RESCUE

The Black Hills are becoming a hot spot for climbers, attracting both seasoned veterans and those newer to the sport. This growing popularity has given our Search and Rescue teams more chances to put their specialized skills to the test. One recent rescue at Old Baldy is a great example. We deployed vertical rescue teams to the summit and a climbing team from the base, working together seamlessly. With the help of advanced mobile mapping and tracking software, command staff received real-time position updates, allowing them to make quick, informed decisions and ensure the best possible outcome.

2024 CALLS

- 21 - Vehicle Extrication
- 26 - Search
- 10 - Carry-Out
- 5 - High Angle Rescue
- 13 - Water Rescue
- 3 - Winter Rescue

Hippie Hole continues to challenge and surprise many visitors, often leading to injuries and mishaps. The hike is far more strenuous than most anticipate, resulting in sprains, fractures, exhaustion, and even lost hikers. Pennington County Search and Rescue, alongside the Rockerville Volunteer Fire Department and other local teams, face the difficult task of navigating the rugged terrain while carrying hundreds of pounds of rescue equipment. Their mission is not only to manage the challenging hike safely but also to locate and extract those in need of urgent medical attention.

RESERVE DEPUTIES

Michael Goeringer

Levi Woodard

Ian Bridge

Jonathan McCary

Caleb Willard

Jason Lind

Donald Lampert

Jonathan Zamora

Nicholas Kollias

Mark Bartik

Kevin Sosa

Devin Cherry

Twelve men volunteered to serve as reserve deputies. Most have full-time jobs and still find time to give back to the community by serving and assisting the mission of the Pennington County Sheriff's Office. Reserve deputies provided 1,528.75 hours in 2024 including patrolling our lakes and trails, and working at the Central States Fair and the Sturgis Motorcycle Rally.

*Steven Klock, 14 years
EMT Specialist*

*David Switzer, 10 years
Patrol Lieutenant*

Staff Hiring/Retention Wage Adjustments

A new wage study and pay adjustments for staff are taking effect in 2025 to stay competitive in the market and region. Our hiring and retention numbers improved in 2024 and competitive wages and benefits allow us to hire and retain the best candidates to serve in all four divisions. We will continue to work closely with the Pennington County Commission and other elected officials and department heads on strategies to keep our wages and benefits competitive in the region. Public safety staffing remains the backbone that keeps our community safe.

Jail Expansion

With Pennington County Jail's population at or above operational capacity for more than a decade and the need to fix critical infrastructure, the Pennington County Commission is considering an expansion to the existing jail. A design team has been working in conjunction with the Pennington County Commission for the past two years. This spring we will continue with in-depth public meetings to provide education on the proposed project options and receive feedback from those we serve in our community. Adequate jail bed space is crucial to advance our public safety strategies with all of our partners in Pennington County.

IGNITE Initiative

Our staff will continue in 2025 to support the educational, job and life skills, and addiction services for individuals in our facilities. Pennington County continues to partner with community organizations and businesses to enhance these initiatives. Pennington County and Rapid City are in year two of two-year pilot program for an in-house sentenced work release program intended to increase accountability and lower recidivism with repeat offenders in our community. We were seeing positive results at the end of year one and look forward to continue to improve on this concept and the outcomes through the second year.
