Here's how the Direct Payment Plan works:

Your payments will be made automatically from the checking or savings account you designate below. Tax amount owed for the 1st half and 2nd half towards the parcel number (S) designated by you will be broken down into 5 payments for the 1st 1/2 and 5 payments for the 2nd 1/2. Installment payments will start being withdrawn from your account on January 5th and be pulled by the 3rd of each consecutive month through October. Your full 1st 1/2 payment will be posted to your County tax record by May 4th. Your full 2nd 1/2 payment will be posted to your County tax record by October 31. Proof of payment will appear on your bank statement monthly. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. You will receive notice of the withdrawal amount once the levies have been set sometime in late December. Any additional assessments placed on the property after the original tax notice is mailed out will be your responsibility to pay in a timely manner. Terminating the agreement by you outside of November or December deadline and enrollment time for any reason other than sale of property will bar you from reapplying for the service in the future. Allow 30 days for returned payments that will not be posted due to your termination request. Insufficient funds in the account you are requesting the payment be made from will constitute a break in this agreement, a \$40 return fee, and the service will be terminated by the County Treasurer. Payments not yet posted will be returned within 30 days. You are then responsible for remaining taxes due and interest if applicable.

I have read and understand the information above

To take advantage of this service, check the area above indicating the understanding of postings and terminations of your payment, complete the authorization below and indicate which parcel ID# you are requesting the service for-and attach a VOIDED original check from your banking institution.

Return to: Pennington County Treasurer at 900 Concourse Dr Ste 150, Rapid City, SD 57703 no later than December 15th 2025 with your completed form and attached check for the 2025 tax year payable 2026. If mailed, we must receive it by the deadline-mail to Pennington County Treasurer PO Box 6160 RC SD 57709.
