

Pennington County Employee – STATEMENT OF FINANCIAL INTEREST
(SOFI)

In order to protect and safeguard the interests of Pennington County, all elected officials, appointed department heads, and all other employees of the County shall disclose any **financial interest** he/she has in an **outside business** doing business with Pennington County.

A Pennington County elected official, appointed department head or other employee is considered to have a financial interest in an outside business if they have an ownership or partnership interest in an outside business **and** the outside business is a business that sells or provides goods/services to, or purchases from, Pennington County. Holding shares of stock in a publicly-traded company is not deemed “ownership” for purposes of this disclosure unless it amounts to a controlling (majority) interest in the company.

PLEASE CHECK THE PARAGRAPH BELOW THAT APPLIES TO YOU:

_____ To my knowledge, I DO NOT have a financial interest in an outside business which provides goods/service to, or purchases from, Pennington County.

_____ I believe that I DO have a financial interest in an outside business as defined above. If you checked this paragraph, please list the name of the outside business & nature of the business below. If you are uncertain as to whether you meet the criteria listed above, it is recommended that you disclose the circumstances to the best of your knowledge.

Name Of Business	Nature of Business

REQUIRED UPDATES:

I understand that I have a duty to promptly update this information should I acquire a new or additional financial interest in an outside business as defined above at any time while I am an elected official, appointed department head or other employee of Pennington County. I further understand that in addition to this requirement and regardless of whether any circumstances have changed since I filed my last Statement, **all elected officials and appointed department heads shall file a new Statement annually and all other employees shall file a new Statement in even numbered years. I understand that this disclosure is considered public information for which I have no expectation of privacy.**
