Subscribe to PUBLIC IMPACT TEXT ALERTS

Subscribers receive official notifications regarding incidents having public impact.

There is no cost to sign up for this service, however standard messaging and data rates apply. See instructions on opposite side.

Notifications having public impact such as:

- Wild fire with evacuations and/or closures
- Major accidents with road closures, impacts or detours
- Extensive road closure as a result of infrastructure failure such as a water line or gas line break
- Structure fire creating traffic hazards
- No travel advisories
